None.

The remainder of this paragraph will be effective only if box 1.1 in Part 1 of this plan is checked "Included."

The Debtor requests that the court determine the value of the secured claims listed below. For each non-governmental secured claim listed below, the Debtor states that the value of the secured claim should be paid as set forth below in the column headed *Amount of secured claim (net value)*. For claims of governmental units, the value of a secured claim listed in a proof of claim filed in accordance with the Fed. R. Bankr. P. 3002(c) controls over any contrary amount listed below unless otherwise ordered by the court. For each listed claim, the value of the secured claim will be paid in full with interest at the rate stated below.

The portion of any allowed claim that exceeds the amount of the secured claim will be treated as an unsecured claim under Part 5 of this plan. If the amount of a creditor's secured claim is listed below as having no value, the creditor's allowed claim will be treated in its entirety as an unsecured claim under Part 5 of this plan. If the collateral is the Debtor's principal residence and the Debtor seeks to void a wholly unsecured junior mortgage lien, a separate affidavit providing evidence of value of the property and the amount of each senior lien against the property is to be filed and served upon the affected creditor. Upon confirmation of the plan, Debtor shall submit an order voiding the mortgage lien.

Unless otherwise ordered by the court, the amount of the creditor's total claim listed on the proof of claim controls over any contrary amounts listed in this paragraph. The holder of any claim listed below as having value in the column headed *Amount of secured claim (net value)* will retain the lien on the property interest of the Debtor or the estate until the earlier of:

- (a) payment of the underlying debt determined under nonbankruptcy law, or
- (b) discharge of the underlying debt under 11 U.S.C. § 1328, at which time the lien will terminate and be released by the creditor.

If the interest rate stated below is not the contract rate, the remainder of this paragraph will be effective only if box 1.1 in Part 1 of this plan is checked "Included."

- ☐ The claims listed below were either:
  - (1) incurred within 910 days before the petition date and secured by a purchase money security interest in a motor vehicle acquired for the personal use of the Debtor, or
  - (2) incurred within 1 year of the petition date and secured by a purchase money security interest in any other thing of value.

These claims will be paid in full under the plan with interest at the rate stated below. Unless otherwise ordered by the court, the claim amount stated on a proof of claim filed before the filing deadline under Fed. R. Bankr. P. 3002(c) controls over any contrary amount listed below. In the absence of a contrary timely filed proof of claim, the amounts stated below shall control.

The judicial liens or nonpossessory, nonpurchase money security interests securing the claims listed below impair exemptions to which the Debtor would have been entitled under 11 U.S.C. § 522(b). Unless otherwise ordered by the court, a judicial lien or security interest securing a claim listed below will be avoided to the extent that it impairs such exemptions upon confirmation of the plan. The amount of the judicial lien or security interest that is avoided will be treated as an unsecured claim in Part 5 to the extent allowed. The amount, if any, of the judicial lien or security interest that is not avoided will be paid in full as a secured claim under the plan. See 11 U.S.C. § 522(f) and Fed. R. Bankr. P. 4003(d). If more than one lien is to be avoided, provide the information separately for each lien. After the plan is confirmed, on request of a party in interest, the court shall promptly enter an order confirming that the stay under 11 U.S.C. § \$ 362(a) and 1301(a) is terminated as to the collateral.
